NEWSLETTER no. 40

January, 2024

Welcome

The very warmest of Greetings for the start of this New Year. As always, we will look forward to the things that will be welcome yet we realise that not all of us will be granted that. Certainly, looking back over 2023, I had more than enough reasons to say 'Goodbye'! That is my personal reflection but it is also true on the wider scene as we all feel the pain of the never-ending challenges faced by Ukraine and the ongoing conflict in Gaza. My Christmas Prayers were very much to claim the hope of "Peace on Earth, goodwill to all people".

Our January meeting (Thursday, 4th)

Our special guest will be **IAN ASHBEE** – "Captain Incredible", who led the Tigers on their journey through 4 divisions. What a story we can expect him to share.

Player of the Season:

Your November votes are in and have reinforced the previous month's votes. **Jaden Philogene** has made more big strides at the top of the leaderboard and a lead that could well keep him out front, even during his unfortunate injury lay-off. Your November votes went chiefly to Jaden, another 95! **Tyler Morton** picked up a commendable 22; the next was **Captain Lewie Coyle** with 9 votes.

Jaden's lead for the season is looking very comfortable, he has a total of 210 votes. Lewie Coyle & Ozan Tufan follow on 69 with Jean Michael Seri on 50 votes.

IT Drop-in Sessions hosted by KCOM

The session in the new drop-in format, open to all members, took place at the KCOM Learning Zone on Monday 18th December. One of our members, **Sam Saleh**, attended and had this to say about his experience.

The sessions are to be highly recommended, thank you. I really enjoyed the session and the staff were very helpful and nothing was too much trouble for them. They have helped me with my iPad and mobile phone. I would appreciate it if you kindly thank them for the time and assistance they have given me, I look very much forward to the next session.
Kind regards, Sam Saleh.

The next session is scheduled for Monday 15th January between 10-00 am and 12-00 pm in the Learning Zone at the KCOM offices in Carr Lane, Hull. For more information click [here](#)

2024 – Big Diary Dates

Some important **Senior Tiger dates** should be firmly marked on your Calendar and in your Diary. We continue with our Members' meetings on the first Thursday of each month, but can we encourage you to 'ring fence' these two dates - 7th March & 6th June?

Thursday, 7th March: Member's Open Day

With the kind support of the football club, we can provide a full day in the MKM Stadium. Like the event we trialled last year, this will be held in the Kingston Suite and will begin with morning coffee and a programme of activities plus the opportunity to mix and mingle with fellow members. Light Lunch will be available and then followed by our normal monthly members' meeting with a special guest promised.

Thursday, 6th June: Memorabilia Day no. 2

To mark the start of the football club's 120th Anniversary we are delighted that a year-long programme of activities will be launched with a second Memorabilia Day at the MKM Stadium. This will be a day-long event with a host of activities that celebrate the history of this great club. Full details will be announced but mark it as a 'not to be missed' event in the diaries and on your calendars.

A CHRISTMAS TALE

Tony Conway originally posted an article in our [2021 Christmas Newsletter](#) detailing the history of games played on Christmas Day. To read another version of the events from Hull City AFC please click [here](#).

The Senior Tigers trip to the **National Space Museum** in Leicester is booked for **Thursday, 14th March**.

- [Sir Patrick Moore Planetarium](#)
- [Tetrastar Spaceport](#)
- [Rocket Tower](#)
- [Galleries and Exhibitions](#)
- [Collections](#)

There is so much to see and it promises to be “out of this world!”
